

## USE OF CERTIFICATION MARK

1. Clients will be provided with instructions on the use and application of the GICG's logo and Accreditation Body Marks ("the Marks")
2. The certificate and right to use the Marks shall remain the exclusive property of GICG and cannot be sold, lent, licensed or used as an asset of the client organization.
3. Certified clients shall use the Marks in connection with the scope detail on the certification approvals. The Marks must always be accompanied with the clients' certificate number and is used only in conjunction with the certified client's name. Clients must not offer the certified scope from any other address than the address stated on the certificate except on a related site(s).
4. **For management system(s) certification**, the Marks must not be used in any way that would indicate product approvals. The Marks must not be used on a product or product packaging or in any manner that may imply product approvals.
5. The Marks shall not be used on laboratory test, calibration or inspection reports.
6. For the use of any statement by the certified clients on product packaging (can be removed without the product disintegrating or being damaged is considered as product packaging) or in accompanying information (separately available or easily detachable such as type labels or identification plates is considered as part of the product). The statement shall in no way imply that the product, process or service is certified by this means. The statement shall include reference to: identification (e.g., brand or name) of the certified client; the type of the management system (e.g. quality, environment) and the applicable standard; and the certification body issuing the certificate.
7. **For product certification scheme, the Marks may be used for product certified, and the use of the Marks shall comply with requirements that may be prescribed in the relevant product certification scheme.**
8. Certified clients shall discontinue the use of the Marks found unacceptable by GICG. Any statements deemed misleading by GICG shall also be withdrawn promptly by the certified clients.
9. If certification is suspended, withdrawn or cancelled, certified clients shall immediately remove the Marks and all references pertaining to the certification.
